

CHAMPION SCHOOLS

WHERE ACADEMICS MEETS ATHLETICS

The Importance of Full-Day Kindergarten

At Champion Schools, we believe that every child deserves the best possible education. That's why we offer a full-day kindergarten program that provides your child with the opportunity to learn and practice essential social-emotional, problem-solving, and study skills. Our curriculum is designed to teach the Five Pillars of Early Childhood Literacy, including Phonemic Awareness, Phonics, Fluency, Vocabulary, and Comprehension, with a focus on the "Science of Reading"

We understand that every child is unique and has their own strengths and weaknesses. That's why we have experts in Dyslexia to ensure that every child gets the support they need to succeed. Our primary textbooks are OPEN COURT by McGraw Hill and Eureka 2.0 for MATH, and our playground is designed for students aged 3-5.

We strive to make every day at Champion Schools an enjoyable and enriching experience. Our goal is to instill a love of learning and provide your child with a solid foundation for the academic future. Schedule a tour today to see our facilities in person and discover how Champion Schools can help your child reach their full potential.
